Dear Parent/Carer,

Please find a copy of the **Term One Curriculum Overview** on the back of this note.

The overview provides you with a guide of the content that your child will cover throughout the term in all key learning areas. Please note that some of the content may be different for our composite classes and may change according to the needs of students for each class.

This information has been provided so you are aware of what your child is learning during the week and across the term. Many of the concepts covered may be reinforced as part of their homework and can be used as discussion points so you can also support their learning at home.

You are welcome to speak to your child's teacher if you require confirmation of any part(s) of the content.

Thank you.

Mr Corcoran
Principal
